2

For students who want student finance based on household income

- If you want to apply for a Special Support Loan complete section 9.
- If you're aged 60 or over on the first day of the first academic year of your course and are applying for student finance based on your household income, you'll be assessed for a Special Support Loan instead of a Maintenance Loan. You do not need to complete section 9.

3

4

For students who want student finance based on household income

- Complete section 11.
- Depending on your answers in section 11 you may need to ask your **parent(s) or partner** to provide details about their income in section 12 so we can work out what your full entitlement to student finance will be.

Use the supporting notes to prevent any delays to the application

Where you see this icon it means there's additional information in the Supporting Notes which will help you complete your supporting application.

This could be information about how to complete a question or section or an instruction to send specific supporting documents.

Read the notes – if you don't answer a question or section correctly or you don't include the documents we need this will delay the student's application.

What details do I need to provide?

You need to provide:

- your personal details, such as your name and address;
- your National Insurance (NI) number (if you have one);
- details of any income from the UK or overseas for tax year 2021-22 that HM Revenue and Customs (HMRC) doesn't know about;
- details of any pension payments you made for the tax year 2021-22; and
- details of any other dependants.

Why do I need to tell you my income from the 2021-22 tax year?

We use figures from this tax year because it is the most up-to-date information that HMRC holds for you.

You must tell us your 2021-22 income details as we cannot accept amounts from any other tax year. This ensures the student(s) you're supporting receives everything they're entitled to.

What happens if my household income has dropped since tax year 2021-22?

If your household income is expected to or has dropped by at least 15% since tax year 2021-22, you can apply for a current year income assessment. This means we'd assess the student for funding based on your estimated income for tax year 2023-24.

You must still complete this form but can provide a more up to date income figure later to ensure the student gets paid the right amount. Read page 23 of the supporting notes for information on how to apply for a current year income assessment.

To find out how we'll use the information you provide go to www.gov.uk/studentfinance to read our Privacy Notice before completing this form.

Checklist

Before you return this form please make sure that:

You have answered all the questions that apply to you

The terms and conditions are **signed** and **dated**

e You have included all the evidence we need with this form

If you don't send all the evidence we need, your application may be delayed and you may end up getting **less** student finance than you are entitled to.

Remember, **you don't need to send your UK passport** as proof of your identity. You only need to **complete your UK passport details in section 2**. If you send your passport it may take several weeks before we can return it to you.

What happens next

It can take at least 6 weeks to assess your application and all the relevant evidence. We'll then send you a letter showing the amount of financial support you'll receive.

You must return your completed form to the address shown below.

**Student Finance England
PO Box 210
Darlington
DL1 9HJ**

Deadline

To make sure you receive your first payment at the start of term, you **must** return this form and all of the evidence we need by **19 May 2023**. We will do our best to process your application as soon as possible, however if the deadline date has passed, your first payment may not be ready for the start of term.

If your application form is returned more than 9 months from the start of your academic year it won't be processed, and you may lose your full entitlement to student finance.

Give permission for someone to contact us on your behalf

If you'd like to give permission for a nominated person to talk to us about your account, you can use this form to set up Consent to Share (CTS) for them.

A nominated person could be:

- an individual person such as your parent, foster parent, sibling or partner; or
- a university/college advisor or a third party advisor. A third party advisor could be a social worker, personal advisor or charity advisor (from organisations such as WeBelong, Become or StandAlone).

What your nominated person needs to know

When they call us, they'll need to pass our security authentication using the details you provide on this form. They'll be able to discuss and ask for:

- any information about your account, except for your bank details
- the status of your application and any evidence that we need
- correspondence you've been sent or request forms for you

What do I need to do?

Section A - Complete this if you want to give permission to an individual person.

Section B - Complete this if you want to give permission to a university/college advisor or a third party advisor.

You can set up CTS for both an individual person and an advisor using the same access code.

If any of the details on this form are left out, we can't set up CTS.

Once you complete this form, please return it with your application form.

Is there a way to allow a third party to make updates to my account?

You can give Power of Attorney (PoA) to a third party. A PoA is an official document where you can appoint an attorney allowing them to release or update information relating to your account. A PoA must contain the specific period for which the third party can act as an attorney, and the specific tasks they can perform. You can still complete the sections of the form below and send us a copy of the PoA document. As above, the person holding PoA must pass our security authentication.

I've changed my mind and no longer wish to give permission. What should I do?

You can remove your permission at any time. To do this, call us on **0300 100 0607** or write to us at:

Student Loans Company Limited
100 Bothwell Street
Glasgow
G2 7JD

Once you tell us that you want to remove your permission, your nominated person won't be able to access your account information.
